

# CAÑO BOCÓN

COLOMBIA

# CAÑO BOCÓN

Our fishing plan in the Colombian jungle of the Guainía, leads us to Caño Bocón, where we can enjoy this great river known for the catches of the largest Peacock Bass in Colombia.

# FISHING

In our Adventure you can enjoy spectacular fishing for 5.5 days in this majestic river and blackwater lagoons. The main species are Peacock Bass (*cichla tamesis*), Butterfly peacock bass (*cichla orinocensis*) and large payaras (*hydrolycus scomberoides*) Shad fish (*brycon amazonicus*) as well as several species of catfish.
